LOCATION: Uptown Blanco Arts & Entertainment, Ltd. 317 Main Street, Blanco TX

The Uptown Blanco Arts & Entertainment, Ltd. complex will be filled with quilts, wearable art, vendors and on display will be the patchwork smart car quilt that was created as a Breast Cancer Fundraising Campaign in Europe. The life size patchwork quilt completely covers a smart car and is made entirely of fabric donated and signed by over 20 celebrities including Russell Brand, Ryan Giggs, Sara Cox, Elizabeth Hurley, Rachel Stevens, Twiggy Lawson, Joanna Lumley, and Jane McDonald each selecting personal swatches of pink fabric from worn articles of clothing all used to create this special quilt.

Vendors will have yards upon yards of fabulous fabric, sewing notions, and patterns; woven wearable's, art cloth, jewelry, and much more. They'll also be demonstrating various quilting and sewing techniques, how to use the various tools on the market and much more.

Area guilds will set-up in the Courtyard and under the pavilion and will feature raffle quilts and country stores to benefit their guilds, along with information on joining their guild.

Last year we awarded \$2,500 in gift baskets to the top winners, this year we've added cash prizes.

I do hope your group is able to join us. Please spread the word to your fellow fiber artists.
